

**Waiver: Permission to Post to Internet**

Central Lutheran School has a website on the World Wide Web. The purpose of CLS's home page is to market CLS to the public and to share information with our CLS families and supporting/area churches regarding our students, school events, personnel, etc.

All of the school's newsletters are posted to the CLS web site at [www.CentralLutheranSchool.org](http://www.CentralLutheranSchool.org); therefore, any time that your son/daughter's photo, \*name, artwork and/accomplishments appear in the Thursday Note, Paw Print or CLS News (churches), that same information will be available to anyone who has internet access.

Because our web site is available to people all over the world, it is necessary for parents to give the school written permission to include their child's/children's photo, name and/or artwork/accomplishments in the aforementioned communications.
